For the Organization and Government of a Fire Company passed by the Trustees of the Town of Dublin Indiana March

Section 1 Be it ordained by the President and Board of Trustees of the town of Dublin Indiana that a fire company for the protection of life and property from damage by fire in the said Town of Dublin be and the same is hereby organized.

Section 2 The Government and control of the same is hereby absolutely vested in the Board of Trustees of said town of Dublin, Indiana.

Sec. 3. The fire company shall consist of not less than 8 active effective men who shall not be less than 20 nor more than 35 years of age and who shall be sober, orderly, respectable citizens of said

Sec. 4 Members of the fire company shall be appointed by the Board of Trustees for a term of one year and such shall be eligible to re-appointment. Any member wishing to resign shall notify the captain of such wish not less than ten days before such resignation shall take effect.

Sec. 5. Members of the fire company may be summarily dismissed by the Board of Trustees for misconduct in office.

incapacity or neglect of duties.

Sec. 6. Five members shall be appointed by the board as Captains and he shall have complete control and direction of the fire company and fire apparatus during any fire or practice, and all members shall promptly obey the orders of the Captains.

Sec. 7. The members of the fire company shall practice in the complete use of the various fire apparatus of the town, the Captain's order as directed by the Board of Trustees, until they have attained a reasonable degree of proficiency in the use of such fire apparatus, and sufficiently often thereafter to enable them to maintain such proficiency. Such practice may occur of evenings, and each member must be present and obey orders.

Sec. 8. Any member not present, or not obeying the orders of the Captain on such practice nights shall not be paid, and shall forfeit twenty-five cents from his salary, unless excused by the Board, as provided for in this ordinance.

Sec. 9. For attending a fire each member present and obeying the orders of the Captain shall receive two dollars, and where fire alarm is given and no fire can be rendered, fifty cents compensation shall be allowed, when the same is forthwith reported to the Clerk.

Sec. 10. Any member of the fire company who is not present at the fire, or who is present and fails to obey orders, shall forfeit the sum of fifty cents, unless excused as provided for in this ordinance.

Sec. 11. The clerk shall balance the salaries and forfeitures of the members semi annually and report such balance to the Board of Trustees at the first regular meetings in June and the last [illegible]

meeting in December, and the Board shall then order warrants upon the general fund of the town to pay such fire men and bills.

Sec 12 Members of the fire company shall be excused from working on the streets of the town.

Sec 13 A member of the fire company shall be excused for non-attendance on the occasion of any given call for his service provided that satisfactory proof that he was physically unable to attend; or provided that he was at the time absent from the town & receive the benefit of this law provided he must first have reported to the Captain his intention of absenting himself

Sec 14 The Captain shall appoint from the members of the fire company a first lieutenant, and such other lieutenants as he may deem necessary, and such lieutenants shall be empowered to govern the same control and power as the Captain, under his direction, or in his absence.

Sec. 15 The Clerk of the Board of Trustees shall be ex officio clerk of the fire company and shall keep a complete record of its actions and accounts.

Sec. 16 The Captain shall report to the Clerk the names of those present and absent at fires or practices and also of the absentees and shall file excuses for such absentees with said Clerk, and the Clerk shall report the same to the Board at their next regular meeting.

Sec 17 Any person or persons not members of the company who shall in any manner interfere with the fire apparatus of the town or the firemen when in the discharge of their duties, shall, upon conviction before a proper court

fined in any sum not less than two nor more than ten dollars and the costs of the suit.

Sec. 18. The Captain or person acting as Captain, may when he deems necessary call to his assistance able bodied persons or persons as he may think fit to aid in extinguishing any fire and each such assistant thus called shall be reported and paid for his service as provided for a regular fireman.

Sec. 19. Promptly on the alarm of fire each member of the fire company shall hasten to the engine house and aid in getting the necessary fire apparatus to the scene of conflagration and in case the fire shall have been extinguished shall aid in returning such fire apparatus to its proper quarters.

Sec. 20. The fire engine shall only be operated by engineers known to the Captain of the company and the Captain shall not suffer the engine to be removed from the engine house when such engineers are not present.

Sec. 21. The Captain when returning to the engine house from any fire or from practice shall have the company remove from the hose reels and place upon the drainage board as many sections of hose as shall in his judgment be needed the same shall be replaced on hose reels and all property and fire apparatus of the company cared for by said person as may be appointed by the Town Board.

Sec. 22. All ordinances pertaining to the government of fire companies in conflict with this ordinance are hereby repealed.

Whereas, an emergency exists for the

immediately upon the taking effect of this ordinance, the same shall be in full force and effect from and after its passage.
Passed and approved March 21st 1911.
President.
Attest: [illegible] Clerk.
Louis Cramer made motion that the Treasurer G. N. Floyd make a draw from the Corporation fund of $7.50 and appropriate the same to the road and alley fund for the purpose of paying outstanding warrants.
Jacob Milliams seconded the motion.
Motion unanimously carried.
Louis Cramer made motion that the following ordinance be adopted as read. Seconded by Jacob Milliams, motion unanimously carried.

—Ordinance—

Concerning persons of the male and female under 16 years of age on their right of way upon the streets after certain hours.

Sec. 1. Be it ordained by the President and Board of Trustees of Dublin Indiana that it shall be unlawful for persons, either male or female, under 16 years of age to loiter or be upon any street in said corporation after the hour of 8 o'clock p.m. in time. Provided that the provisions of this ordinance shall not apply to persons male or female who are upon the streets under the direct supervision of their parent or parents or upon the written order of said parents.

Sec. 2. The bell upon the engine house shall ring for notice and warning to all persons under 16 years of age to get off the streets.

Sec. 3 Whoever violates the provisions of this ordinance shall upon conviction be fined in any sum not exceeding five dollars for each and every offense.

Sec. 4. This ordinance hereby repeals all ordinances and parts of ordinance in conflict herewith.

Sec. 5 The emergency existing for the immediate taking effect of this ordinance it therefore shall be in force and effect from and after its passage and publication.

President

Seconded by James O'Mc Cready Motion carried
B.F. Hatfield presented the following ordinance

An Ordinance Regulating Railroad Companies in the Erection & Maintenance of certain Railroad and Street Crossings within the limits of town of Dublin Indiana

Sec 1 Be it ordained by the President and Board of Trustees of the town of Dublin, Indiana that any and all railroad companies now constructing or hereafter to construct a railroad track or tracks over or across State Road Street in the town of Dublin Indiana at any point, shall at the place of such intersection, keep and maintain at their own expense, from the hour of eight o'clock A.M., until Six o'clock P.M., of each day, a flagman, whose duty it shall be to signal persons in any manner travelling in the direction of any of such intersections or crossings and warn them of the approach of any locomotive, engine, car or train of cars, or other thing, dangerous to such track or tracks.

Sec 2 Any railroad company or railroad corporation who shall violate or fail, or refuse to observe any of the foregoing provision of this ordinance shall forfeit or pay to the town of Dublin and the sum of ten dollars for every such offence and each and every day any such company or corporation shall continue any such violation or continue any such failure or refusal to comply with the requirements aforesaid shall be deemed and taken to be a separate offence.

Sec 3 This Ordinance shall be in full force and effect from and after its passage and publication according to law and a certified copy thereof delivered to the local agent of each railroad company.

Passed and approved Nov 3 1902

Special meeting

Board of Trustees called to order by President
of Board Lewis Evans presiding All members
present ~~xxx~~

Purpose of meeting was to grant franchise
to Indiana Illinois & Eastern and Eastern st
Street R.R. Interurban railway company.

An ordinance granting the Indiana Illinois
and Eastern Railway Co a franchise [illegible]
as follows

Section 1. [illegible] to M. O. Donnell, Frank O'Brien, E. Dillon, [illegible] under and by virtue of the powers and authority granted by the laws of the State of California in said Board created, constituted, provided and authorized by said laws, acting and duly represented by the President of the Board of Public Works, Franklin Coffey, [illegible] and agents, to construct, [illegible] to operate a single, or double track railway line in, upon and along Cumberland Street in the City and County of San Francisco, from the point of intersection of said street with the center line of the right of way of the Ocean Shore Railroad, as the same is now located, to the east side of South Johnson Street as said street is now laid down, together with all necessary and convenient turnouts, side-tracks, switches and turn-tables; provided that no side-track, switch or turn-out shall be laid or used less than two hundred feet; [illegible] to construct and maintain such structures, conveniences and appliances as shall be reasonably necessary in order to construct, operate, maintain and operate said street railroad, or any portion thereof, over or along [illegible] provided, including the overhead trolley system. Said street railroad shall be operated by electrical power or other power, except locomotive power, steam excepted. All said work [illegible] under the supervision and direction of the Commissioner of Public Works, together with the City Civil Engineer, and in the construction, maintaining or repairing of any portion of the tracks of said railroad the same shall be done as speedily as possible and all debris shall be removed in such manner as to interfere as little as possible with the traveling public.

In addition to the street railroad above mentioned the said

...ed or ...erally ...ed is understood to embrace the said streets in the ...tension of said streets caused by the extension of the corporate limits of said town.

SECTION 2. Wherever the word "town" is used in this ordinance it shall be construed to mean said town of Dublin, Indiana, unless otherwise expressly indicated. Wherever the word "grantee" is used in this ordinance it shall be taken and construed to mean the said Indianapolis and Eastern Railway Company, its successors and assigns.

SECTION 3. Said street railway hereby authorized to be constructed, maintained and operated shall have the right to transport passengers, freight, express and mail matter.

SECTION. 4. Said railroad shall be constructed of good material and in harmony with the best modern practice and be well and ... The cars and equipments shall be new and maintained in good condition. The track shall be uniform and standard gauge and shall be so laid as to conform to the established grade of the streets of said town and so that the tops of the rails shall be flush with the surface of the roadway when the same is at the proper grade and in such manner as to be no unnecessary impediment to the ordinary use of the public in said streets and so as to not interfere with the drainage of said town. The rails to be used shall be "T" rails and shall not be lighter than ... sixty pounds per linear yard. The track shall be laid in the middle of the street, and where double tracks are laid the middle of the street shall be the middle line between such double tracks and such double tracks shall be laid as near together as is safe and practicable.

SECTION 5. And whereas it may be necessary that said tracks, structures or appurtenances of the construction, repair or maintenance of said railroad, the said grantee shall have the right to change the location of said tracks, structures or appurtenances as they may be so disturbed, obstructed or injured, and shall be subject to the said grantor shall have the right to enter upon said street and lower the said street to conform to the grade of said tracks and to the distance of ten inches outside of the rails of said track, and whenever double tracks or additional rails, all that portion of said street between said tracks and to the distance of six inches inside on the outside of outside rails of said double tracks or additional tracks and shall keep the street or streets within said tracks and on the outside thereof, in whatsoever, paved, graveled or macadamized shall to the top of the rail next the outside thereof, such rail to the streets may be paved or macadamized, and as more to the rail as the same can be done, leaving rail joints open only for the flange of the wheel. And if said grantee neglect or refuse to so repair or so maintain said part of said street, the same may be done by said town and the expense thereof charged to and collected from said grantee said grantee, as provided by the Auditor and Board of Trustees of said town, shall improve and maintain said parts of said streets aforesaid in the same manner and when the same shall be ordered by the Board of Trustees of the said grantor the roadbed of said street or streets to be improved or maintained.

SECTION 6. And in consideration of the grant herein made to the Indianapolis & Eastern Railway Co., it is further agreed that the Indianapolis & Eastern Railway Co., will lower the roadway of said Cumberland Street two inches below grade as now established

at ten inches of gravel thereon, and also within said Cumberland Street from Mill Street west, to the first Street west intersecting said Cumberland Street. Authority and permission is hereby granted to said Indianapolis & Eastern Railway Company to construct a "Y" or curve connecting said track in Cumberland Street with a car house, waiting room or station, at some point west of Johnson Street in said town of Dublin, and if the gutter or walks on said Cumberland Street are disturbed by the laying of said "Y" or curve, then the same shall at once be restored to as good condition as it now is and all at the expense of said Indianapolis & Eastern Railway Company.

SECTION. 2. The poles shall not be nearer together along the line of the street than one hundred feet, with such slight variations as may be necessary or expedient to avoid interference with street and alley crossings, shade trees and with ingress and egress of property owners. Provided, that no poles shall be set in any cement sidewalk or gutter, except upon such street or parts of streets where the full width of the sidewalk from property line to the curb is laid with cement. At such places iron, wood or steel poles shall be used and shall be placed in the sidewalk inside of the curb and shall be set in concrete so as not to require any staying or guying; and the sidewalks so disturbed shall be placed in as good condition by the said grantee as they were prior to such disturbance. All wooden poles used for the support of trolley wires shall be of pine or cedar, straight, smoothly shaven and shall not extend less than twenty-five feet above the surface of the sidewalk and shall be not less than six inches in diameter at the top and shall be kept well and neatly painted and so firmly and deeply set in the ground as not to require any staying or guying. All poles set and wires strung shall be so set and strung as not to interfere with the wires of any other company, person

[illegible] by them over all or any of the streets, alleys or other public highways of said town and to do and perform all other acts and things necessary.

Section [illegible] shall not be construed to [illegible] of said Board [illegible] but shall be [illegible] not by necessary.

Section [illegible] ordinances [illegible] prohibitions against buying and stealing of calves.

SECTION. 8. The President and Board of Trustees of said town shall at all times have power to [illegible] ordinance with regard to the running of [illegible] the date of grant thereof as to public convenience and safety may require, and provide proper penalties for the violation of such ordinance.

SECTION. 9. Said trustee shall save the town harmless from any loss, damage, or liability by reason of any of the operations of said railroad and the construction, repair and maintenance thereof and by reason of the negligence of any of the agents, employees or employees of said trustee. And shall said town be liable to said [illegible] for any loss or damage that may be occasioned by the breaking of [illegible] power, gas or water pipe, or by any reasonable delay in constructing or maintaining the same.

SECTION. 10. The cars to be used by said trustee shall be run over and along the tracks of said railroad within the corporate limits of said town in accordance with the following rules and regulations, to-wit:

(a) No car shall be run at a higher rate of speed than [illegible] per hour.

(b) The conductors and motormen employed by the grantee shall use due care and diligence to prevent injury to persons and property, and on appearance of danger to any one on or near the track the car shall be stopped as quickly as possible.

(c) All possible care shall be used by the conductors and motormen of those having the car in charge to prevent injury to horses, teams, carriages and other vehicles.

(d) All cars after sunset and before sunrise shall be provided with suitable lights, signals and headlights.

(e) Each car shall be supplied with a gong, whistle or bell to be used in control of the motorman and used by him in giving warning of approaching danger.

(f) The cars of said grantee shall be entitled to the track on all occasions except funerals, and where any vehicle shall meet or be overtaken by any car upon said street railroad in said town, such team or vehicle shall give way to such car.

(g) Cars moving in the same direction shall not approach each other nearer than fifty feet, except in case of accident to or on the car in advance, or when at or near a station, or when coupling together.

(h) No car shall remain standing on any street or crossing unless attached to its power in waiting for passengers and in charge of competent employees.

(i) No car shall be stopped on a cross-walk nor in front of any intersecting street except to avoid collision, damage or injury to persons or property, or to take on or leave off passengers, or freight.

(j) No car shall be left standing at any point more than thirty minutes, except at terminal stations of such railroad and at railroad stations.

SECTION.11. The rate of fare shall not be more than five cents for one continuous passage between any points within said town and not more than five cents for one continuous passage in said town each way. Provided no charge shall be made for children under six years of age when accompanied by an adult.

SECTION 12. In case the Provisional Board of Trustees of the town shall change or establish the grade of any street in which the tracks of said railroad are laid, or of any street across which said tracks are laid, said Board may by resolution order said grantee to change the grade of its track to correspond with such established or changed grade, and said grantee at its own cost shall construct said railroad to conform with the grade of the street within a reasonable time to be fixed by the Board; and if said grantee shall fail to so change the grade of its track within the time so fixed, the town may cause the same to be done and charge the cost thereof to the grantee, which expense shall become a lien on said street railroad and the same may be collected at once.

SECTION 13. Said trustee shall so maintain and operate said street railroad that no sewer, gas or water mains or pipes shall be in any way injured or damaged by reason of electrolytic action or otherwise. And the Provisional Board of Trustees of said town shall have the power to cancel said grantee to adopt and put into use from time to time such new and improved methods and appliances as said railway company shall best be adapted to prevent injury or damage by electrolytic action to said sewers, gas or water mains or pipes.

SECTION 14. The town of Dublin reserves all the rights in and to the streets, alleys, highways and bridges except those herein expressly granted; and said town may construct sewers, crossings and other improvements whatever along or across the line of the said railroad, and the said railroad shall cause no delay or hindrance to the

work. And the Chief of the Fire Department of said town or any member of the Board of Trustees may at any time stop the passage of cars over any part of said track when such passage will in any way interfere with efficient action of said department.

SECTION 15. Said grantee shall complete the said railroad and have the cars running upon the same by July 1st, 1898. Provided, however, that the Board of Trustees of said town may extend the time for the completion of said road beyond the period of July 1st, 1898, if good cause for any delay can be shown by said grantee, and thereafter said street railroad shall be continuously operated until the expiration of this franchise.

SECTION 16. This franchise shall be in force and effect for a term of forty years from the date of its passage.

SECTION 17. This ordinance and franchise is granted on the express condition that it shall be accepted within ten days of its passage by filing a written acceptance therewith the Clerk of said town.

SECTION 18. All snow accumulated upon or along said track that has been removed by said company for the purpose of operating its cars shall not be left on said streets in piles or drifts, but shall be removed or spread upon said street or streets.

SECTION 19. Authority and permission is hereby granted said grantee to construct a line of railway on South Johnson Street in said town, to the first street running east and west south of said Cumberland Street, and connect the same with the railway on said Cumberland Street with suitable switches, curves and "Y's". Said railway on South Johnson Street shall be constructed and maintained according to the provisions of this ordinance as the same apply to the building of the railway on said Cumberland Street.

Jno McCurdy moved the Indianapolis & Eastern franchise be accepted Seconded by Jacob Pahlman Motion carried

An ordinance granting the Richmond Street and Interurban Railway Co a franchise was read as follows.

AN ORDINANCE AUTHORIZING THE CONSTRUCTION, MAINTENANCE AND OPERATION OF A STREET RAILWAY IN AND UPON CERTAIN STREETS IN THE TOWN OF DUBLIN, WAYNE COUNTY, INDIANA, TOGETHER WITH REGULATIONS RELATING THERETO AND FIXING PENALTIES FOR THE VIOLATION THEREOF.

.....

SECTION 1. BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE TOWN OF DUBLIN, WAYNE COUNTY, INDIANA, That under and by virtue of the powers and authority granted by the laws of said State of Indiana in this behalf enacted, consent, permission and authority is hereby given, granted and duly vested unto the Richmond Street & Interurban Railway Company, its successors and assigns, to construct, maintain and operate a single, or double track street railway line in, upon and along Cumberland Street in the said town of Dublin from the east corporation line to the west side of South Johnson Street of said town, together with all necessary and convenient tracks for turnouts, side-tracks, switches and turn-tables; provided that no side-track, switch or turn-out shall be longer than two-hundred feet and no side-track, switch or turn-out shall be placed upon said Cumberland Street between Milton Street and Johnson Street: and to construct and maintain such structures, contrivances and mechanical appliances as shall be reasonably necessary in order to construct, extend, maintain and operate said street railroad, either by electrical power or other power hereby provided, including the overhead trolley system. Said street railroad shall be operated by electrical power or other new, improved motive power, steam excepted. All said work shall be done under the supervision and direction of the Committee on streets and alleys, together with the City Civil Engineer, and in the construction, maintaining or repairing of any portion of the tracks of said railroad the same shall be done as speedily as possible and the debris shall be removed in such manner as to interfere as little as possible with the traveling public.

In addition to the street hereinbefore mentioned the grant of power is hereby made is understood to extend to and include any extension of such streets caused by the extension of the corporate limits of said town.

SECTION 2. Wherever the word "town" is used in this ordinance it shall be construed to mean said town of Dublin, Indiana, unless otherwise expressly indicated. Wherever the word "grantee" is used in this ordinance it shall be taken and construed to mean the said Richmond Street & Interurban Railway Company, its successors and assigns.

SECTION 3. Said street railway hereby authorized to be constructed, maintained and operated shall have the right to transport passengers, freight, express and mail matter.

SECTION 4. Said railroad shall be constructed of good material and in harmony with the best modern practice and so maintained. Other cars and equipments shall be new and maintained in good condition. The track shall be of uniform and standard guage and shall be so laid as to conform to the established grade of the streets of said town and so that the tops of the rails shall be flush with the surface of the roadway when the same is at proper grade and in such manner as to be no unnecessary impediment to the ordinary use of the public in said streets and so as to not interfere with the drainage of said town. The rails to be used shall be "T" rails and shall not be lighter than sixty pounds per linear yard. The tracks shall be laid in the middle of the street and where double tracks are laid the middle of the street shall be the middle line between such double tracks and such double tracks shall be laid as near together as is safe and practicable.

SECTION 5. Whenever the streets or alleys of said town are disturbed, obstructed or damaged by reason of the construction, repair or maintenanceof said railroad, the said grantee shall promptly restore the same to as good condition as they were before they were so disturbed, obstructed or damaged, and shall so maintain them. And the

said grantee during all the time said track shall be operated or kept in said street shall keep the said street so occupied between the rails of said tracks and to the distance of eighteen inches outside of the rails of said track, and wherever double tracks or switches are laid, all that portion of said street between said tracks and to the distance of eighteen inches on the outside of the outside rails of said double tracks or switches in good condition and repair, and shall keep the street or streets within said tracks and on the outside thereof, as aforesaid, paved, graveled or macadamized flush to the top of the rail upon the outside thereof, when and as the streets may be paved or upon which the same are laid, and as near to the rail as the same can be done, leaving sufficient space only for the flange of the wheel. And if said grantee neglect or refuse to so repair or so maintain said part of said street, the same be done by said town and the expense thereof charged to and collected from said grantee. Said grantee, if required by the President and Board of Trustees of said town, shall improve and reimprove such parts of such streets as aforesaid in the same manner and upon the same plan and as often as the Board shall cause the remainder of said street or streets to be improved or reimproved. SECTION 6. Said grantee shall widen the grade of said Cumberland Street upon which the car line passes from the east corporation line to the alley at Edward Morgan's wood house, and gravel said grade and street, and cut said grade ten inches below grade and put ten inches of gravel thereon, to the width of forty-four (44) feet at the top of grade, and shall grade said portion of said street according to the present grade established by said corporation of Dublin, Indiana: and if said grantee fail to widen said grade, and if the President and Board of Trustees shall direct said grade widened, said grade may be widened by said town and said street railway shall be assessed and liable for the cost thereof and such sum shall be due and payable upon the acceptance of said improvement by the Board of Trustees of said town, and said sum shall be deemed a first lien and charge upon all the property of said road.

SECTION 7. The poles shall not be nearer together along the line of the street than one hundred (100) feet, with such slight variations as may be necessary or expedient to avoid interference with street and alley crossings, shade trees and with ingress and egress of property owners. Provided, that no poles shall be set in any cement sidewalks or gutters, except upon such streets or parts of streets where the full width of the sidewalk from property line to the curb is laid with cement. At such places iron, wood or steel poles shall be used and shall be placed in the side walk inside of the curb and shall be set in concrete so as not to require any staying or guying: and the sidewalks so disturbed shall be placed in as good condition by the said grantee as they were prior to such disturbance. All wooden poles used for the support of trolley wires shall be of pine or cedar, straight, smoothly shaven and shall not extend less than twenty-five feet above the surface of the sidewalk and shall not be less than six inches in diameter at the top and shall be kept well and neatly painted and so firmly and deeply set in the ground as not to require any staying or guying. All poles set and wires strung shall be so set and strung as not to interfere with the wires of any other company, person or corporation already strung over and along any of the streets, alleys or other public highways of said town and so as not to damage shade trees more than is necessary.

Trolley wires shall not be nearer the tops of the rails than eighteen feet and shade trees shall be trimmed only when absolutely necessary.

Curves in said railroad are hereby excepted from the above prohibitions against guying and staying of poles.

SECTION 8. The President and Board of Trustees of said town shall at all times have power to make reasonable regulations by ordinance with regard to the running of cars over said road and as to the rate of speed thereof as the public convenience and safety may require and to provide proper penalties for the violation of such ordinances.

SECTION 9. Said grantee shall save the town harmless from any loss, damage, or liability by reason of any of the operations of said railroad and the construction, repair and maintenance thereof and by reason of the negligence of any of the agents, servants or employees of said grantee. Nor shall said town be liable to said grantee for any loss or damage that may be occasioned by the breakage of any sewer, gas or water pipe, or by any reasonable delay in constructing or repairing thesame.

SECTION 10. The cars to be used by said grantee shall be run upon and along the tracks of said railroad within the corporate limits of said town in conformity with the following rules and regulations, to-wit:

A. No car shall be run at a higher rate of speed than twelve miles per hour,

B. The conductors and motormen employed by the grantee shall use due care and diligence to prevent injury to persons and property and on appearance of danger to anyone on or near the track the car shall be stopped as quickly as possible.

C. All possible care shall be used by conductors and motormen or those having the car in charge to prevent injury to persons, teams, carriages and other vehicles.

D. All cars after sun-set and before sun-rise shall be provided with suitable lights, signals and head lights.

E. Each car shall besupplied with a gong, whistle or bell to be used in control of the motorman and used by him in giving warning of approaching danger.

F. The cars of said grantee shall be entitled to the track on all occasions except funerals, and where any vehicle shall meet or be overtaken by any car upon said street railroad in said town, such team or vehicle shall give way to such car.

G. Cars moving in the same direction shall not approach each

other nearer than fifty feet, except in case of accident to or on the car in advance, or when at or near a station, or when coupled together.

H. No car shall remain standing on any street or crossing unless attached to its power in waiting for passengers and in charge of competent employes.

I. No car shall be stopped on a cross-walk nor in front of any intersecting street except to avoid collision, damage or injury to persons or property, or to take on or leave off passengers,or freight.

J. No car shall be left standing at any point more than thirty minutes, except at terminal stations of such railroad and at railroad stations.

SECTION 11. The rate of fare shall not be more than five cents for one continuous passage between any points within said town and not more than five cents for one continuous passage in said town each way. Provided no charge shall be made for children under six years of age when accompanied by an adult.

SECTION 12. In case the President and Board of Trustees of the town shall change or establish the grade of any street in which the tracks of said railroad are laid or of any street across which said tracks are laid said Board may by resolution order said grantee to change the grade of its track to correspond with such established or changed grade, and said grantee at its expense shall construct said railroad to conform with the grade of the street within a reasonable time as fixed by the Board: and if said grantee shall fail to so change the grade of its track within the time so fixed the town may cause the same to be done and charge the expense thereof to the grantee which expense shall become a lien on said street railroad and the same may be collected at once.

SECTION 13. Said grantee shall so maintain and operate said street railroad that no sewer, gas or water mains or pipes shall be in any way injured or damaged by reason of electrolytic action or other-

wise. And the President and Board of Trustees of said town shall have the power to compel said grantee to adopt and put into use from time to time such new and improved methods and appliances as said railway company shall deem best adapted to prevent injury or damage by electrolytic action to said sewers, gas or water mains or pipes.

SECTION 14. The town of Dublin reserves all the rights in and to the streets, alleys, highways and bridges, except those herein expressly granted: and said town may construct sewers, crossings and other improvements whatever along or across the line of the said railroad, and the said railroad shall cause no delay or hinderance to the work. And the Chief of the Fire Department of said town or any member of the Board of Trustees may at any time stop the passage of cars over any part of said track when such passage will in any way interfere with efficient action of said department.

SECTION 15. Said grantee shall complete the said railroad and have the cars running upon the same by July 1st,1903. Provided, however, that the Board of Trustees of said town may extend the time for the completion of said road beyond the period of July 1st,1903, if good cause for any delay can be shown by said grantee, and thereafter said street railroad shall be continuously operated until the expiration of this franchise.

SECTION 16. This franchise shall be in force and effect for a term of forty years from the date of its passage.

SECTION 17. This ordinance and franchise is granted on the express condition that it shall be accepted within ten days of its passage by filing a written acceptance thereof with the Clerk of said town.

SECTION 18. All snow accumulated upon or along said track that has been removed by said company for the purpose of operating its cars shall not be left on said street in piles or drifts but shall be removed or spread upon said street or streets.

SECTION 19. Authority and permission is hereby granted said grantee to construct a line of railway on South Johnson Street in

said town to the first street running east and west south of said Cumberland Street and connect the same with the railway on said Cumberland Street with suitable switches, curves and Y's. Said railway on South Johnson street shall be constructed and maintained according to the provisions of this ordinance as the same apply to the building of the railway on said Cumberland street.

The above and foregoing ordinance is adopted and enacted this 17th day of February 1903.

L.W.Cranor

President of Board of Trustees.

(SEAL)

Attest:

C,L.Conady,

Clerk

April 6 1903

Board of Trustee met in regular session Lewis Evans president of Board presiding
Roll called, words of previous meetings read and approved. All member present
The ordinance committee offered the following ordinance.

An ordinance regulating the speed of Steam and Electric Railroad Engines, Cars and Trains at certain street crossings within the corporate limits of the town of Dublin Indiana and providing penalties for the violation thereof

Sec I Be it ordained by the President & Board of Trustees of the Town of Dublin Indiana, that it shall be unlawful for any locomotive engine, motor car, electric car or any car or train of cars, whether operated or propelled by steam or electricity, to be run upon or over any railroad track within the corporate limits of said town of Dublin, where such track intersects and crosses State Road street or where such track intersects or crosses Johnson Main Dublin Milton or Foundry streets upon Columbia street, in said town, at a greater rate of speed than twelve miles per hour, between the hours of five o'clock in the morning and 10 o'clock at night, of each and every day of the year

Sec II Any steam or electric railroad company or corporation or any engineer, fireman, motorman, conductor or other person having the control or management of any locomotive engine, motor car, electric car, or any car or train of cars, whether operated or propelled

by steam or electricity, who shall violate the provision of Section I, of this ordinance, shall upon conviction thereof before any court of competent jurisdiction, be fined in the sum of ten dollars for each and every violation thereof

Sec III All ordinances or parts of ordinances in conflict with this ordinance or with any part hereof, and all previous ordinances regulating or limiting the speed of railroad trains, cars or locomotives within the corporate limits of Carlton, are hereby repealed

Sec IV This ordinance shall be in force from and after its passage and publication as required by law

Passed and approved April 6 1903

Contract

Contract of Marshal.

This contract entered into by the Corporation of the Town of Dublin, County of Wayne, State of Indiana, party of the first part and Cyrus Fox as marshal party of the second part. The party of the first part agrees to pay the party the sum of one dollar ($1.00) in advance for his services, the party of the second part agrees to attend to the requirements as marshal and in addition agrees to keep the fire engine in good repair and give it a test test once a week unless it may be past in the test by reason, and the parties agree to waive this rights to one dollar and fifty cents ($1.50) per diem as provided by statute for road work, and receive one dollar and fifty cents ($1.50) per diem to be taken on salary as marshal.

And it is further agreed that he shall look after and keep in good condition street crossings, culverts, side walks and all work pertaining to said corporation, and set at meetings of Council Chambers if it is necessary and that each of said shall attend and attend to the same and further give notice to all to said work to be done by each person disabled by sickness or accident, and further agrees the board reserves the right to employ a substitute paid deputy to be paid out of the funds that would otherwise go to pay the regular marshal. It is understood that the marshal is and shall be subject to the advice and instructions of the incorporation through its representatives, the Board of Trustees. This contract further requires the Board of Trustees to give the marshal 10 days notice before it can dismiss the marshal, and the marshal give 10 days notice should he want to resign.

Said Council entered into this 1st day of June 1885

Dow — Called Session.

Feb. 20/1906 — Board met in called session, all members present except J. F. Carmony, — the purpose of considering the question of Speed, whistling at crossings, lighting crossings by the Street car Companies, and also the fare charged inside the corporations.

Motion — Motion By Conklin, seconded by Stuart that — Corporation proceed to execute the provisions of — franchise as relates to ordinance on speed. Carried. The question of how to proceed to execute the — of the franchise and ordinance on speed was discussed.

Motion — Motion by Stuart seconded by Gilliam that a committee consisting of three members of the Board and two citizens be appointed, to see that the provisions of the franchise and ordinance in regard to speed and whistling at crossings inside the corporation be inforced. Carried.

Comm. — The following committee was appointed, H. L. Sloss, A. C. Stuart, C. F. Conklin, of the board and Ed [illegible] and Ed Morgan as citizens.

By Consent the board ordered the ordinance in regard to whistling at the crossings be published but after some consideration withdrew the order owing to the fact that the ordinance should never been published when the same was made it — passed the time limit for publishing the matter was layed over until the regular meeting night in [illegible]

All members present. The President stated the object of the meeting was to consider the offering of the land owned by the Cranor heirs.

The following motion was made by Stewart and secondedly carried

Whereas on May 7th A.D. 1906 a certain motion was made and carried whereby it was agreed to purchase of Elizabeth Cranor a certain tract of land provided it contained in the neighborhood of eleven acres for the sum of One Hundred and Fifty Dollars ($150.00) for Cemetery purposes And Whereas the said tract did not contain said amount of land and there were irregularities

has become involved and in Vol
by a deed to said Corporation of Elizab
and its Trustees which said Trustees
for and on behalf of said Corporation
on account of said Mortgage did
refused to accept and confirm
It is therefore moved that the Pres
of the Board of Trustees and the Cle
of the said Corporation be empowered
by the said Corporation of the Board
of Trustees to prepare the duly
and the Board of Trustees do
re-deed by a quit Claim Deed any
title or interest in and to said
Real Estate which the said
Corporation may by the said acti
have become possessed to the said
Elizabeth Cranor upon the
repayment to said Corporation
for the benefit of Elijah Fletcher
and Joseph Demmindrum of the
sum of Five Hundred and Fifty
($550.00) Dollars.

Motion Carried.

A Quit Claim Deed was made and
The Five Hundred and Fifty ($550.00)
Dollars was received by the
Clerk of said Corporation.

It was consented to by all present
that the Joseph Demmindrum note
and interest should be paid out of
The Five Hundred and Fifty ($550.00)
Dollars received.

Moved by Woodard seconded by
Stewart to adjourn until the

Called Session
Board of Trustees of Dublin Corporation met in special session. Board called to order by the President Roll called all members present the president stated the object of the meeting to be to consider the building of a Cement walk on east side of Dublin Street

Sept 1, 12, 19.

It was moved by Stewart seconded by Snyder that the following resolution be adopted

Resolution No 1 1911

A Resolution declaring it to be necessary to make some improvements on the East Side of Dublin street by the laying of Cement Sidewalk along and on said East Side thereof, and fixing a time and place when and where interested persons may appear and be heard as to the necessity for such improvement.

Be it resolved, by the Board of Trustees of the Town of Dublin, Wayne County, Indiana that it is necessary to improve Dublin Street in said Town of Dublin, Wayne County, Indiana between the streets designated as Harrison street and Cumberland street which is also known as the National Road all in the Original Plat of said Town by the Construction of a Cement Sidewalk five feet wide along the east side of said Dublin Street from the between the said designated points named herein. That said Improvement shall be made according to detailed plans and Specifications of said Improvement to be adopted and placed on file in the office of the Clerk of the Town of Dublin, the same being in the Council Chamber of said Town, in Wayne County, Indiana; That the cost of said Improvement shall be assessed upon the Real Estate abutting on the East line of said East of it as so improved and benefitted thereby and all to be done in accordance with and in conformity to the act of the General Assembly of Indiana approved March 6, 1905, and entitled "An Act concerning Municipal Corporations" and all Acts amendatory and supplementary thereto

September 12 1903

Be it further resolved that the Council Chamber and Monday the Fifth day of October A.D. 1903 at 7:30 o'clock P.M be and the same is hereby fixed as the time and place, when and where all persons whose property may be affected by said improvement, may appear before said board and be heard as to the necessity for said improvement, and to remonstrate against the same.

And the Clerk of said Town is hereby directed to give notice of this Resolution and of the time and place of hearing and that the Board will meet at said time and place to hear all persons interested as to the necessity for same and to all persons to appear there and there and present their objections to said improvements and to remonstrate against them

It is ordered that notice of said Improvement be published for Two Weeks successively in the Wayne Register of Fairfield, Wayne County Indiana

Adopted this 12th day September 1903.

Signed by William Nelson
President of Board of Trustees

attest by Jno H. Champe
Clerk of Town

NOTICE.

Notice is hereby given that on the Twelfth day of September, 1908, the Board of Trustees of the Town of Dublin, Wayne County, Indiana, adopted a resolution declaring it necessary to construct a cement sidewalk, five feet wide, upon and along the east side of Dublin street in said town, from Harrison street to Cumberland street (also known as the National road), as designated upon the Original Plat of said town. The cost thereof to be assessed, according to law, upon the property benefitted, and fixing

Monday, the 5th day of October, 1908,

commencing at 7:30 o'clock in the afternoon, as the time and the Council Chamber in said town, as the place when and where all persons interested, or affected, by said proposed improvement, may appear before said board and be heard as to the necessity therefor, and to remonstrate against the same.

Snyder reported that the Street and Alley Committee had called at Lewis Sullivans house on May 1st 1911 and did not get to see said Lewis Sullivan but stated to Wilbur Bybee the Town Street Their object in calling was to acquire a right of way for a driveway to the new Cemetery addition. Said Wilbur Bybee stated It was moved by Hall seconded by Pulsifer that Report be received. Motion carried.

Resolution No. 1. which reads as follows:

Resolution

Resolved by The Board of Trustees of the Town of Dublin Wayne County, State of Indiana that it is the desire of said Town and its Board of Trustees, to open up the alley on the entire east side of Lot No. 7, Christmas Addition to the Town of Dublin, Wayne County State of Indiana and be it further resolved by said Board of Trustees, that they desire to condemn and appropriate for the use of said Town the following and real estate hereinafter described, commencing at the south terminus of the above mentioned alley and running from thence due south to the new Cemetery addition lately purchased by said Town.

The land desired to be appropriated is described as follows to-wit:-

Being 15 feet in width, and the entire length off of the east side of Lot No. 7, in said Christmas Addition to the said Town of Dublin, Wayne County, State of Indiana.

The purpose of acquiring said land is for a Driveway to the new Cemetery addition.

May 1, 1911

purchased by said Town.
The land to be appropriated and which is above described is owned and occupied by William Ley and George Ley as per their claim. All of which above described land will be effected by said work above proposed.

Motion Carried

The following resolution was read.

Be it resolved by the Board of Trustees of the Town of Linden Monroe county, State of Indiana.

That a necessity exists for the improvement of the following streets, to-wit: Milton, Dublin, Davis and Maple streets in said Town by the construction of a cement sidewalk four feet in width on Milton, Dublin and Davis streets. On Maple street the width of said side walk shall be five feet.

Said sidewalk shall be constructed on each side of Milton street commencing at the second alley north of Harrison street thence south to the north end of the newly constructed cement bridge across the P.C.C.&St.L. Railway.

Said sidewalk shall be constructed on each side of Dublin street commencing at the North line of Cumberland St. [illegible]

(August 7, 1911)

South to the south line of Maple St ~~xx~~.

Said sidewalk shall be constructed on ~~xx~~ side of said street, commencing at the first alley north of Cumberland Street, on the west side thereof and running thence south to the south cemetery in said Town. On the east side of Davis street commencing at the north line of Cumberland street, thence south to the south cemetery in said Town,

Said sidewalk shall be constructed on the south side of Maple street, commencing at the east line of the Public School Grounds, running thence west to the west line of said School Grounds.

On account of the newly made fill at the approaches to the bridges crossing the tract of the P.C.C. & St. L. R.R. Co. on Miller and Davis streets in said town, a period of twelve months shall be allowed in which to construct and complete said sidewalks from the foot of said approaches to and from said bridges and that the time for hearing on this resolution be fixed for the 24th day of August, 1911 at 7 P.M. at the office of the said Board of Trustees of said Town, and that notice thereof be given according to law.

It was moved by Hall seconded by Tinsley that the above resolution be adopted as read.

Motion Carried

August 7, 1911

It was moved by Mr. Hall, seconded by Mr. Trusty that the following notices be posted as the law requires

Notice of Street Improvement

about complete and the Committee
would soon begin to grade East from
of Hennessy Street. That the

October 2 1911

their part of Davis Street and the town was putting grade and Sewer was being put in on Davis street.

It was moved by Snyder that Boundary street grade between Dubuque street and the Railway Bridge be adopted according to the profile submitted by Howard Horton, County Surveyor, and now on file with the Clerk. Hall recorded the motion an emergency existing for the variance of this grade the Motion Carried Unanimously

It was moved by Snyder that the grade of Dubuque street south of Cumberland street be adopted according to the profile submitted by Howard Horton, County Surveyor and now on file with the Clerk Immediately succeeding the Motion an emergency existing for the variance of the grade the Motion carried unanimously

It was moved by Snyder that the grade of Davis Street from the Railway bridge to Cumberland street on the east side of said Davis street and from the Railway Bridge to the first alley north of said Cumberland street on the west side of said Davis street be adopted according to the profile submitted by Howard Horton County Surveyor and now on file with the Clerk Hall recorded the motion an emergency existing for the variance of this grade the Motion Carried unanimously

October 2, 1922

It was moved by Hall that the
grade of Walton street from the
Kennebec bridge to the second
alley north of Harrison street
be changed according to the plan
submitted by Howard Horton, town
surveyor, and now on file with
the Clerk. Tuesday seconded the motion
on emergency existing for the
variance of this grade.
Motion Carried unanimously

A petition, signed by the property
owners on Walton street between
Cumberland street and Harrison
street, was presented to the board
petitioning for a variance in the
grade of the cement walks being
constructed between said
Cumberland street and said
Harrison street.
It was moved by Hall seconded
by Tuesday that the question of
changing the grade of the cement
walks between Cumberland and
Harrison streets be further
investigated. Motion Carried
It was moved by Hall seconded by
Hiatt that the cement sidewalks
being constructed on Davis street
be made five feet wide on the
west side thereof and five feet
on east side of said Davis
between Cumberland and Maple street.

RESOLUTION.

BOARD OF TRUSTEES OF THE TOWN OF DUBLIN, INDIANA.

WHEREAS, the Board of Trustees of the Town of Dublin, Indiana on the 7th. day of March, 1910, duly passed an Ordinance granting the the Pittsburgh, Cincinnati, Chicago and St. Louis Railway Company certain rights in connection with the construction of its new Double Track Line of Railroad through the Town of Dublin, Indiana; and,

WHEREAS, it is provided in Section 6, of said Ordinance that the surface of the roadway of the bridge to be constructed to carry Central Avenue over said Double Track Line, when said bridge is completed, shall not exceed a height of ten and one-half (10½) feet above the level of the tracks of said Railway Company where they formerly crossed Central Avenue; and,

WHEREAS, the Pittsburgh, Cincinnati, Chicago and St. Louis Railway Company have now proposed that if it is granted the right to further raise the grade of the roadway of said bridge to a height not to exceed eleven (11) feet above the level of its former tracks at said crossing that it will construct a concrete slab floor with brick coping and concrete side walks upon said bridge in place of the wooden floor and side walks as originally planned, said increase in height being necessary in order to use this form of construction for the floor.

NOW THEREFORE,

BE IT RESOLVED, by the Board of Trustees of the Town of Dublin, Indiana, that in consideration of the advantages of the brick and concrete type of floor for the said Central Avenue Bridge, the Pittsburgh, Cincinnati, Chicago and St. Louis Railway Company be and is hereby granted the right to raise the grade of the roadway over said bridge a sufficient amount over and above the height, as specified upon in said Ordinance of March 7th, 1910, which may be necessary to permit the construction of said brick and concrete floor, and to maintain said roadway and approaches thereto at this increased height, which shall not exceed eleven (11) feet above the level of the tracks of said Railway Company where they formerly crossed Central Avenue.

November 4,

PASSED ~~November~~ 1911.

I certify that the foregoing is a true and correct copy of a Resolution, passed by the Board of Trustees of the Town of Dublin, Indiana at a regular meeting, November 1911.

Town Clerk.

It was moved by Hall seconded by Dungy that the above resolution be passed as read.

Motion carried by unanimous vote of the Board of the Town Trustees present.

October 7 1912

Regular Session

The Board of Trustees of Dublin Incorporation met in regular session. The Board was called to order by the President. The roll was called with all members present. The minutes of the last meeting were read and approved as read.

Committee reports

Finance Committee Hyatt Chairman

The Treasurers report for September 1912 was read and placed on file.

The receipts were -

Sept. 3. of Casper Green for cemetery lot $ 5 =
Sept 4. of First Nat'l Bank for interest 1 =
Sept 10. of Albert Gordon for use of fountain 25
Sept 25. of Casper Green for cemetery lot 5

Street and Alley Committee Snyder Chairman

Snyder reports that the cement walk on North Johnson Street had been completed to Fred Hayes south property line, and that the cement walk on south Jefferson street was partly built, that Johnson street between Dennis White and Jesse Adams had been cut down, that Carl Mercer was caring for the street lights and was keeping them in good shape., That Keating was working on cement work on Davis street and was repairing cement walk constructed in 1911. The matter of putting in more lights was left to the street and alley Committee

The President stated the meeting was open for any general business

Complaint made with the street and alley Committee by J.B. Knipe stated that Mr. J.B. Knipe and others desired to [illegible]

(Petition for)
of Cement sidewalks and asked that the
Clerk read the minutes of the action of
the Board in establishing the grade for
a cement side walk on the east side
of Johnson Street.
The Clerk read that part of the minutes
of the meeting of the regular regular
Session of July 18 1912, where it
refered to the establishing of a grade
on the east side of Johnson Street.
J. C. Dodson stated he was present
in the interest of Mr and Mrs J B Knipe
to talk over the matter of side walks.
He stated his clients were satisfied
with the grade as read and did not
object to the construction of a cement
sidewalk on this grade but he
objected to any Grade being put
in the grade refered to and the
construction of a cement sidewalk
on any other grade and asked for
his clients, that the proposed cement
sidewalk be constructed on this
grade in accordance with the
Contract between the Board and
Frank Dalrymple.
Mrs J B Knipe stated she did not oppose
the construction of a cement sidewalk
on the east side of Johnson Street,
between Maple street and Dillon Street
on the grade established by the Board
at the July 18 1912 meeting, but
only asked to be accorded the same
treatment as others on this street
had been and that the walk be
constructed on the grade as it had
been constructed for others on this
street. Dalrymple stated that he had
to the grade [illegible]
[illegible]

October 7 1912

Resolution No 4 1912

A Resolution providing for the object the opening of a certain section of the improvement and widening of Cement sidewalks on Johnson street in the Town of Dublin Wayne County, Indiana.

Whereas, There was presented to the Board of Trustees of the Town of Dublin, Indiana a Petition asking for the construction of Cement sidewalks on Johnson street, on the west side thereof from Cumberland Street to Franklin Street and to be known as section A, Also from Cumberland street to South side of Maple street on Johnson street, on east side thereof to be known as section B, from south side of Maple street to P.C.C. and St L.R.R. bridge, on east side, to be known as section C from P.C.C and St L.R.R. bridge to Southworth street All in the town of Dublin, Indiana, On account irregularity, and unsatisfactory Petition it has been deemed best to repeal section C. of aforesaid improvement, Therefore, Be it resolved by the Board of Trustees of the town of Dublin in regular session assembled that section C. of said improvement be repealed, It was moved by Jasper Crandall that the above Resolution be passed as read. The vote passed in favor [illegible]

October 7 1912

The clerk read a letter of advice, from Hosmer and Hosmer, in regard to rest of Johnson and Milton streets.

H. D. Johnson was present and stated his reasons for objecting to the completion of the pavement upon said Milton Street. He said he had agreed with Hosmer and the Board had agreed.

H. D. Johnson stated for himself and Hardy Cole that they would not pay for the walks if made.

Cemetery Committee Higgy Chairman Mowry reported that the trees and [illegible] in the cemeteries were all trimmed and the grass had been mowed and the cemeteries were in good condition but that the south lawn adjacent would need mowing again this year.

Fire Committee Hall Chairman Hall reported that the water supply was good.

Ordinance committee Lahoon Chairman. Snyder reported that Middleton was to blame to say to the citizens that the Railway Co would make a temporary walk on the east side of the avenue bridge and would lay the Pipe across the bridge but could not complete the bridge before spring on account of lack of [illegible] and having to change the steps.

The following claims were read

No	76	Fred Hayes	3.25
"	77	Chas. M. White	25.00
"	78	E. S. Morgan	10.25
"	79	W. H. McDonell	25.60

[illegible] Council
[illegible] Council

Notice of the adoption of declaritory Resolution No 3 1913

Notice is hereby given that the Board of Trustees of the town of Dublin, state of Indiana, has adopted declaritory Resolution No 3 1913 declaring the necessity of and ordering the oiling of the following named parts of streets namely, towit: Main street from thewest Corporation line to the third alley east of Foundry street , Milton street from the first alley north of main street to Maple street, Dublin street from Main street to the first alley south of Main street, Davis street from the first alley north of Main street to Maple street, Johnson street from the third alley north of Main street to the first alley south of Main street,

Said oiling to be done by contract and the cost thereof assessed against the abutting property.

And the said Board has fixed Monday May the 26th 1913 at 8.30 P.M. as the time and the Council Chamber as the place at which remonstrances may be filed and heard by persons interested in or affected by said oiling and assessment therefor, and the said Board will meet atsaid time and place and hear and consider any remonstrances filed , and hear all persons interested in or affected, and will decide whether the benefit which will accrue to the property abutting or adjacent to said improvement on siad parts of said streets will be equal to or exceed the estimated cost of said oiling thereon.

By the order of

Jacob G. Clarke

Clerk
